Data (please be as specific as possible):

Anticipated use:

All digital data requests should be made through the GIS Office by returning a completed and signed request form form. Orders expected to cost over \$200 will require a minimum deposit of \$160 before work commences.

DISCLAIMER

The County reserves the right to deny access to information deemed exempt under the provisions of the FOIA. The County reserves the right to prioritize requests for data.

The County hereby disclaims any and all liability or responsibility for any damage, injury, loss, claim, or lawsuit arising from any error, inaccuracy, or other problem with either the digital map data contained on the computer media or the computer media themselves. The User hereby releases the County and the referenced officials of the County, from all liability, damages, claims, injuries, or suits arising from any such error, inaccuracy or problem. Furthermore, the User agrees to indemnify and hold harmless the County and its officials and employees, from any and all claims, liability damages, injuries, and suits arising from the use of the computer tapes or the digital maps contained therein or thereon by the user or its employees or assignees.

The digital map data provided is "as is" and the County expressly disclaims all warranties, UCC and otherwise, express or implied including warranties as to the accuracy of the digital map data and merchantability and fitness for a particular purpose, and further expressly disclaims responsibility for all incidental, consequential or special damages arising out of or in connection with the use or performance of the digital map data.

The User acknowledges this disclaimer of warranty and expressly waives all warranties express or implied and waives any right of claim for damages incidental, consequential or special, arising out of or in connection with the use of performance of the digital map data.
